If you have any questions or concerns regarding your answers for this application, please do not become discouraged. We encourage you to contact the Client Services Director or Client Services Assistant to discuss. Remember: we are all a work in progress.

Some questions to answer before you are “matched” with a client.....

1. Think about yourself when you were a similar age as your mentee (teen/20's).
Was there an adult (other than a parent) whom you especially enjoyed spending time with?
What were the qualities of that person that made him/her special to you?
2. What are 3 or 4 qualities you have that are going to help you be a *great* mentor?
3. Imagine you have just told an acquaintance that you have become a mentor. That person says to you, “What is a mentor?” What would you say? How would you describe your role? Also, describe any mentoring experience you may have been involved in previously.
4. List hobbies/special interests that would be helpful in matching you with a client.
5. Describe any mentoring experience you may have been involved with.
6. Would you prefer mentoring a client who would like to further their education or needs help entering the job market?

Salem Pregnancy Care Center

Statement of Faith

1. We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His future personal return in power and glory.
4. We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential, and that this salvation is received through faith in Jesus Christ as Savior and Lord and not as a result of good works.
5. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life and to perform good works.
6. We believe in eternal life for both the saved and the lost – the saved into eternal life with God and the lost into eternal separation from God.
7. We believe in the spiritual unity of believers in our Lord Jesus Christ.

Statement of Principles

1. Salem Pregnancy Care Center (SPCC) is an outreach ministry of Jesus Christ through His church. Therefore, SPCC, embodied in its volunteers, is committed to presenting the Gospel of our Lord to women with crisis pregnancies – both in word and deed. Commensurate with this purpose, those who serve as SPCC Board Members, Directors, and Volunteers are expected to know Christ as their personal Savior and Lord.
2. SPCC recognizes God as the creator of life. Therefore, we are committed to the sanctity of all human life from conception until natural death. SPCC does not recommend, provide, or refer anyone for an abortion or abortifacients.
3. SPCC is committed to providing its clients with accurate and complete information about both prenatal development and abortion.
4. SPCC is committed to integrity in dealing with clients, earning their trust, providing promised information and services, and avoiding any form of deception in its corporate advertising or individual conversations with its clients.
5. SPCC is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women can face the future with hope and plan constructively for themselves and their babies.
6. SPCC does not discriminate in providing services because of the race, creed, color, national origin, age, or marital status of its clients.
7. SPCC offers assistance free of charge at all times.
8. SPCC is committed to creating awareness within the local community of the needs of pregnant women and of the fact that abortion only compounds human need rather than resolves it.
9. SPCC does not recommend, provide, or refer single women for contraceptives and is committed to proclaiming the message of abstinence until marriage in accordance with God's Word. Married women seeking contraceptive information are urged to seek counsel, along with their husbands, from a physician.
10. SPCC recognizes the validity of adoption as one alternative to abortion. SPCC is independent of adoption agencies, receives no payment of any kind from these agencies, and does not enter into contractual relationships with them. Adoption agencies are not established under the auspices of this Center.
11. SPCC seeks to aid women who are experiencing emotional problems following an abortion by offering compassionate counseling, which enables them to work through their loss, as well as information on Post Abortion Syndrome.
